OUR MISSION

Providing our clients with ultimate satisfactory services and affordable prices. Yet considering our core values that will help us realizing our Vision andbuild key relationships with our clients.

Our Core Values

Our core values building under base of beliefs

● Loyalty ● Responsibility ● Accountability
● Integrity ● Quality Products ● Good Service

Our Services
Health & Safety

NEA's health and safety commitment goes far beyond regulatory compliance and good business practice.
We subscribe to the belief that accidents prevention has much value as quality, morale, production, costs etc.
NEA's dominant safety philosophy continues tó encourage employees to protect and support each other within the work envirohment by:

- Promoting a culture of health and safety
- Complies with regulatory standards and use of safely tools in working hours.
- Promoting employee and employer participation in health and safety seminars.
- Entrench the right to refuse to work in hazardous environment.
- Providing treatment assurance by covering costs to any member who will accidentally injured or harmed
